1. SCOPE OF WORK

The Designer will develop a complete brand identity for the Client's retail coffee business, consisting of three deliverables set out in Section 2. The Designer may engage subcontractors to complete portions of the work and remains the Client's single point of contact.

2. DELIVERABLES AND FEES

The total fee for the engagement is US$9,000 (nine thousand United States dollars), invoiced in three parts against delivery of each milestone:

Milestone 1 - Logo and primary marks: US$3,000, due on October 10, 2026. Includes the primary logotype, one secondary mark, and the colour palette, delivered as vector files.

Milestone 2 - Website design and build: US$3,000, due on October 28, 2026. Includes a five-page responsive marketing site and handover of the source files.

Milestone 3 - Brand manual: US$3,000, due on November 25, 2026. Includes a written manual covering logo usage, typography, colour and photography direction. The Client shall review the manual and confirm acceptance within ten (10) business days of delivery; payment for this milestone falls due on that confirmation.

Each invoice is issued through PayPal upon delivery of the corresponding milestone and is payable within fifteen (15) days of issue.

3. REVISIONS

The Client may request revisions to each deliverable. The Designer will accommodate reasonable revision requests.

4. LATE PAYMENT

Invoices not settled by their due date may be subject to a late charge, and the Designer may suspend work on remaining milestones until outstanding amounts are settled.

5. COLLABORATORS AND REVENUE SHARE

The Designer works with the following collaborators on this engagement, who are paid out of each milestone payment as it is received:

Andres Villa - developer - andres.villa@example.dev - 30% of each payment
Mariana Soto - illustrator - mariana.soto@example.art - 20% of each payment

The Designer is solely responsible for paying these collaborators and the Client has no direct obligation to them.

6. INTELLECTUAL PROPERTY

Upon delivery of each milestone, the Client receives a licence to use the delivered materials. Full assignment of rights in all deliverables transfers to the Client on delivery of Milestone 3.

7. GOVERNING LAW

This Agreement is governed by the laws of the State of Texas. The parties will attempt to resolve any dispute in good faith before pursuing other remedies.
